History, UCLA

**"Saint Louis and the Construction of
Sacral Kingship in Thirteenth-Century
France."**

18 November 2011 at 4:00 PM in HSSB 6056, the
seminar room in the IHC
Reception to follow.

This paper will examine the representation of sacral
kingship in the architecture of Louis IX, specifically
showing how the Sainte-Chapelle and Louis' later
projects in Paris transformed visual politics and
contributed to his own canonization.
